

MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION

PLANNING MANAGER

JOB DESCRIPTION

Employees in this job direct the work of planning analysts and other subordinate staff. The work requires knowledge of the policies, procedures, and regulations of professional departmental planning programs and knowledge of supervisory techniques and personnel policies and procedures. The employee, under general supervision, works within general methods and procedures and exercises considerable independent judgment to adapt and apply the guidelines to specific situations, as needed.

There are three classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Planning Manager-2

Planning Manager 13

The employee functions as a first line professional manager of professional positions in a standard work area, a first line professional manager of a professional position in a complex work area, a first line professional manager of nonprofessional positions in a complex work area, a first line manager of a professional position in a standard work area receiving executive direction, or a first line professional manager of nonprofessional positions in a standard work area receiving executive direction.

Position Code Title – Planning Manager-3

Planning Manager 14

The employee functions as a first line professional manager of professional positions in a complex work area, as a first line professional manager of professional positions in a standard work area receiving executive direction, second line professional manager of professional positions in a standard work area, a first line manager of a professional position in a complex work area receiving executive direction, or a first line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title – Planning Manager-4

Planning Manager 15

The employee functions as a first line professional manager of professional positions in a complex work area receiving executive direction, a second line professional manager of professional positions in a complex work area, a second line manager of professional positions in a standard work area receiving executive direction, or a third line professional manager of professional positions in a standard work area.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Selects and assigns staff, ensuring equal employment opportunity in hiring and promotion.

Coordinates activities by scheduling work assignments, setting priorities, and directing the work of subordinate employees.

Evaluates and verifies employee performance through the review of completed work assignments and work techniques.
